SUPPORTING YOUNG PEOPLE IN BUSINESS

# Our Future In Focus

## OUR MISSION

We're all about bringing together our young employees and local business owners in our growing county. We want to build stronger connections, share knowledge and retain our existing talent pool here to drive our future economy. Help us contribute to a sustainable future and continue to make Shropshire great!

## | Our Future In Focus MEMBERSHIP

Our Future In Focus is a collective of young people within Shropshire-based businesses. Our mission is to foster connections among like-minded individuals, enhance personal knowledge, and contribute positively to the Shropshire business community. By being a part of Our Future In Focus, you'll play a vital role in shaping the future of Shropshire's business landscape.

This group was created in September 2019 to bring together ambitious young people from a wealth of industries, skill sets and backgrounds, helping them to connect, engage and succeed with Shropshire Chamber.
