

YOUR CHAMBER, YOUR VOICE MAGAZINE

GUIDE FOR SUBMITTING ARTICLES

Our guidelines are here to assist you to ensure that articles submitted have the best chance of publication in the magazine.

- Articles received should reflect something newsworthy and should not be an advert for your business. Examples may include receiving an award, an anniversary, welcoming new staff, forming a new partnership or any other success story.
- Images **must be** high resolution (**300dpi**), they **must be relevant** to the article and you do have the **option of including a caption**. If your image is not acceptable in size, resolution or content, **we reserve the right to not include it with your editorial**.
- All articles must have a headline and can include your website address at the end of the article.

- All articles to be submitted within a Word document and not in the body of the email. Please use Arial or Calibri as the chosen font.
- Word Count – no more than 450
- Press releases submitted may be edited if they are longer than the word count
- Submissions must be clear to read and be written in the third person
- We welcome regular contributors focusing on a topical business theme. Examples may include HR, Business, Commercial Property, Accountancy or Law
- Due to the volume of press releases received, **no guarantee of inclusion in the printed magazine can be made**
- **The editor's decision is final**
